Where businesses lose customers

Late replies

They buy from someone else

Leads lost

Chats stuck in staff phones

No follow-up

Interested buyers forgotten

Same questions

“Price? Timing? Address?”

New product launched

How do customers find out?

Offers go unseen

Posts and SMS don’t reach them

What it costs you

You may be losing

₹6.7 lakh

every year

Example: 300 enquiries a month, ₹2,000 average sale

90

enquiries a month get no quick reply

60

interested leads never followed up

52 hrs

staff time on the same questions
